

Harvest Gathering Stampables

These SVG files will cut out at the perfect size to stamp all of your Harvest Gathering stamps from Punkin' Patch Stamps. (Must have the Harvest Gathering stamp set from <http://www.punkinpatchstamps.com>.) Just cut with your electronic cutting machine and stamp! Affix them to your project with a 3D dot or pop dot for a cool, dimensional look!

Size each SVG to the widths given below, while keeping the proportions of the shape. (Sure Cuts a Lot users, check the box next to "Keep Proportions" in the Shape Properties window.) Most cutting software (such as SCAL2 and SCAL3) will import each SVG at the recommended size, in which case you won't need to do any re-sizing.
